

PROJECT WORK CLASS X (2019-20)

Social Science

MM: 05 Marks

1. Every student has to compulsorily undertake one project on:
Consumer Awareness
or
Social issues
or
Sustainable Development.
2. Objectives: The main objectives of giving project work on Disaster Management to the students are to:
 - a. Help gain an insight and pragmatic understanding of the theme
 - b. See all the Social Science disciplines from interdisciplinary perspective
3. The project work will help in enhancing the Life Skills of the students.
4. If possible, various forms of art may be integrated in the project work.
5. In order to realise the objectives of the project students are required to go out for collecting data and use different primary and secondary resources to prepare the project.
6. The distribution of marks over different aspects relating to Project Work is as follows:

S. No.	Aspects	Marks
a	Content accuracy, originality and analysis	2
b	Presentation and creativity	2
c	Viva Voce	1

7. The project carried out by the students should subsequently be shared among themselves through interactive sessions such as exhibitions, panel discussions, etc.

A. PREPARATION AND SUBMISSION OF PROJECT REPORT:

Following essentials are required to be fulfilled for its preparation and submission-

1. The total length of the project report will not be more than 15 – 20 written pages of foolscap size (A-4 size).
2. The project report will be handwritten and credit will be awarded to original drawings, illustrations and creative use of materials.
3. The project report will be presented in a neatly bound simple folder.
4. It is to be noted here by all students that the projects and models prepared should be made from eco-friendly products without incurring too much expenditure.

The project report will be developed and presented in this order

- **Cover page** showing project title, student information, school and year
- **List of contents** with page numbers.

- **Acknowledgements** (acknowledging the institution, offices and libraries visited and persons who have helped).
- **Project Overview:** Purpose, Aim, Methodology and experiences while doing the project.
- **Chapters/Topics** with relevant headings.
- **Summary and conclusions** based on findings. (Include any innovative idea you may have generated)
- **Planning** and activities to be done during the project, if any giving a calendar of activities.
- **Bibliography:** should have the Title, pages referred, author, publisher, year of publication and if a website the name of the website with the specific website link which has been used.
- All the photographs and sketches should be labelled and acknowledged.
- **Teacher's evaluation report**
