

## Class-V

### Holidays Homework

#### **TASK-I**

(Roll No.- 1 to 12)

Let's go on a virtual journey across India without even leaving our homes and explore Our Rich Heritage (Chapter 18). Using Google Earth or Google Maps, you'll explore an Indian state and create your very own **Digital Travel Journal**.

#### **WHAT YOU HAVE TO DO:**

1. Choose an Indian State: Pick your favourite state of India. (Example: Rajasthan, Kerala, Sikkim)
2. Explore Using Google Earth or Google Maps Go to Google Earth or Google Maps. Find beautiful places in that state like monuments, mountains or beaches etc. Use Street View to see real photos of roads and buildings!
3. Take Screenshots Take pictures (screenshots) of interesting places you see. Save them to add to your travel journal.
4. Make a Digital Travel Journal Use Microsoft PowerPoint to make your journal and upload it to the link which will be shared with you.

#### **FOR THE STATE, INCLUDE:**

Slide 1 – State Info: Name of the state, capital city, where it is on the map

Slide 2 – Places You Explored: 2 or 3 special places + screenshots + 1–2 lines about each

Slide 3 – Fun Facts & Culture: Languages, food, dress, festivals, or anything interesting!

Slide 4 – What You Liked Most: Write what you enjoyed about this state.

#### **Task-II**

(Roll No.- 13 to 24)

"Healthy Eating Starts with You!"

Make a 3D model of the Food Pyramid using cardboard, clay or waste material. Show the 5 food groups and 2-3 examples of each.

### **TASK- III**

(Roll No.- 25 onwards)

#### **PHOTOSYNTHESIS**

"Plants: The Real Superheroes of Earth"

Build a model of photosynthesis and show how photosynthesis helps plants make food and gives us oxygen to breathe. Label the parts properly. Links are shared for your reference.
